LOCAL WOMAN IS HEAD OF STATE SUFFRAGE UNION

Mrs. Joshua Raynolds Chosen as President at Rally Held in Capital Last Night; Other Albuquerqueans Officers.

Santa Fe, N. M., Feb. 29—Albuquerque women figure prominently in the Congressional Woman's Suffrage Union for New Mexico, organized last night at a suffrage rally in the hall of the house of representatives. Mrs. Joshua S. Raynolds of Albuquerque was elected president of the union, while Mrs. Margaret Meder was chosen secretary and Mrs. A. B. McMillen treasurer.

The rally was presided over by Mrs. B. E. Asplund, president of the State Federation of Women's Clubs. Addresses were made by Miss Ursula Stevens of Washington, who came to the state especially to attend the rally. Mrs. St. Clair Thompson, Mrs. William J. Barker and others.

It was decided to name a delegation which is to visit the different states to urge them to assist actively in pressing for the enactment of the amendment now before congress providing for equal suffrage. Resolutions also were adopted urging the state's representatives in the national legislature to do what they could to obtain the passage of this amendment.

A number of vice presidents were named, including Mrs. John R. McFie of Gallup, Mrs. Walter Kegel of Raton, Mrs. N. B. Laughlin, Mrs. B. E. Asplund and Mrs. Nina Otero Warren of Santa Fe.

**BUSY BRICK YARD AT PENITENTIARY**

Warden John B. McManus of the state penitentiary, who was here yesterday to deliver twenty prisoners at the convict road camp in Tijeras canon, called attention to the fact that the prison is an industrial as well as an agricultural center. One hundred prisoners are engaged in making brick and tiles. The plant produces good vitrified and common briars, drainings tiles and hollow building tile. The tile is sold by contractors to be used for use in the country.

The penitentiary agriculturists will work a 140-acre farm this year.

### ABOUT PEOPLE YOU KNOW

Henry Davis hardware. Phone 339.

The hardware nothing momentous concerning which there has been some inquiry covers the historic old dwelling within and adjacent to Panteon Park in the Santa Fe national forest.

The Ladies Aid society of the Congregational church will hold a special meeting in the church parlor Wednesday afternoon at 7:30 o'clock.

Business of importance is to be discussed and a large attendance is expected.

The meeting will be brief.

A. E. Rice, after purchasing a car having started yesterday to drive it to New Mexico, paid night to spend several months.

Mr. and Mrs. E. B. Edgar are to move tomorrow to Rochester, Minn., where Mrs. Edgar will enter the Mayo brothers' institution for an operation for stomach trouble.

T. H. Ellerman, a druggist, is nearly a resident of this city, most recently in St. Louis according to word received here yesterday. Falling health caused his return to his home in the Missouri city some time ago.

**SOMEBODY STILL SMASHING THE CITY'S WARNING LANTERNS**

In spite of the courteous and gentle request put out by a city official last week, the lanterns hung at the corners where the "bump" on Central Avenue is being cut down are still going to smash nightly. Not a night, according to street department officials, passes without the breaking of one or more lanterns. It is evident that somebody or several somebodies regard the throwing of stones at the red lanterns as a stock amusement of the homeward journey late at night.

The city official whose request was printed last week asked that another one be published to him.

A row of stars is called for at this point to represent the officially beat report.

It is otherwise quite unprintable.

(At no time last week is this line ever hinted that there was suspicion that university boys might be the ones smashing the little red lanterns. Far be it from anyone so to hint.)

The Rev. L. C. Vermillion is preaching strong and helpful sermons. A special feature of the service last evening was Mrs. Benning's singing "Never See Sight of Jesus." There will be one at nine each evening.

The members of the church desire the people of the city to share the benefits of these special services and cordially invite them to attend. Song and organ service begins promptly at 7:30 each evening.

MAY GET ELK FOR GILA REFUGE FROM MONTANA

The Gila Forest officers and the administration, New Mexico State Game Commission have selected two game refuges for the Gila one in the Mimbres area and one in Blue Canyon on the west side of the Black Range.

National Forest Game has wired that fifty head of elk are estimated to be in the Blue Mts. The matter has been taken up with the Southwestern New Mexico Sportmen's association to see if arrangements can be made to procure them for the Gila.
